

## **EWIS Career Training Center: Over 15 years of Excellence in IT Education**

### **Introduction:**

In the ever-evolving landscape of information technology, staying at the forefront of knowledge and skills is crucial. One institution that has been a steadfast beacon of quality IT education is EWIS Career Training (Pvt) Ltd, the exclusive training division of EWIS Group. For the past 15 years, EWIS Career Training has been a proud academic partner for SLIIT Regional Network operations, delivering a diverse array of IT training programs that encompass Cisco, Microsoft, and AWS. This partnership, rooted in a commitment to producing industry-ready professionals, recently celebrated a significant milestone at the inauguration ceremony of the SLIIT Kurunegala Undergraduate Degree Program on October 18th.

### **A Legacy of Excellence:**

For over a decade and a half, EWIS Career Training has maintained a strong and enduring partnership with the Sri Lanka Institute of Information Technology (SLIIT). This partnership has yielded an array of professional development programs embedded with industry-standard workshops and high-quality certificate courses that lay the foundation for aspiring IT professionals.

### **The Perfect Learning Environment:**

At EWIS Career Training, every student is nurtured by highly professional and experienced lecturers, backed by a friendly and welcoming support staff. The modern facilities and learner-friendly environment ensure that students have access to everything they need for a successful educational journey. We take pride in our role as game-changers, producing individuals who are well-prepared to tackle the challenges of the modern world.

### **Diverse Academic Offerings:**

Our commitment to providing affordable academic qualifications spans a wide spectrum of fields, including IT, Business Management, Languages, and Professional Development. As a partner with the Sri Lanka Institute of Information Technology,

we offer undergraduate programs in IT and Business Management, giving our students a solid foundation to launch their careers.

Global Standards in Education:

What sets EWIS Career Training apart is our partnerships with global giants like Microsoft, Huawei, and Amazon. These collaborations allow our scholars to align with international standards, ensuring they are well-prepared for the demands of the IT and Business Management industries. With over 5000 alumni produced annually, our track record speaks volumes about our commitment to excellence.

As we reflect on 15 years of partnership with SLIIT, EWIS Career Training continues to be a beacon of excellence in the field of IT education. Our dedication to providing high-quality training, nurturing a learner-friendly environment, and preparing students for the global stage has been unwavering. Together with our esteemed partners and the dedication of our students, we look forward to another 15 years of success, innovation, and transformation in the world of IT and Business Management education.
