Elevate Your Hotel's Operations with Cutting-Edge IT Solutions from OCTA, a Brand Powered by EWIS, at Hotel Show Colombo 2023!

We are delighted to announce that EWIS, will be proudly participating in the esteemed Hotel Show Colombo 2023. As a leading provider of exclusive IT hardware and software solutions for the hospitality industry, we are excited to showcase the latest innovations at Stall No. 76 in SBMEC Colombo from the 21st to the 23rd of July 2023.

Empowering the Hospitality Industry

At EWIS, we understand the pivotal role that technology plays in enhancing hotel operations and guest experiences. Our mission is to empower hotels with cutting-edge IT solutions that streamline processes, boost efficiency, and provide a seamless guest journey.

Innovative Hardware Solutions for the Modern Hospitality Industry

We take pride in offering a diverse range of cutting-edge IT hardware solutions catering specifically to the needs of the hospitality sector. Our offerings encompass a wide array of high-quality products, including digital signage, POS systems, interactive smart boards, modern frameless TVs, high-end servers, in-room tablets/notebooks, and more.

Transforming Hotel Operations with Advanced Software Solutions

Harnessing the power of innovative software is essential for elevating hotel operations, we provide transformative software solutions designed to streamline management processes and enhance guest experiences. Our software suite includes intuitive applications for digital signage management, POS system integration, interactive smart board functionality, in-room service management through tablets/notebooks, and more.

Ensuring Robust Data Security for Peace of Mind

We understand the criticality of data security in the hospitality industry, especially considering the sensitive nature of guest information. Rest assured, our hardware and software solutions are fortified with state-of-the-art security measures to safeguard your hotel's data and protect your guests' privacy. With our expertise in implementing robust security protocols, you can have peace of mind knowing your systems are protected against potential threats.

Tech-Savvy Guest Experiences

In today's digital age, delivering exceptional guest experiences requires a tech-savvy approach. Our hardware solutions, such as interactive smart boards and modern frameless TVs, engage and entertain guests while providing them with valuable information. Meanwhile, our in-room tablets/notebooks empower guests to access and manage various services conveniently. Together, these solutions create a seamless and memorable stay for your guests.
